

## WALL MOUNT SHELF

### Features:

- UL approved models for mounting to solid concrete, hollow block concrete, wood stud, and 20-gauge steel stud wall surfaces.
- Secure 1-112" x 2" 11-gauge rectangular support tube design.
- Easy 360° swivel tray and 0-150° shelf tilt adjustment.
- Keyhole punched support tube to speed installation.
- Safety features include ratcheted safety strap and 112" formed lip on monitor support tray.
- Tube design conceals all 3/8" hardware fastener heads.

### Accessories (priced separately):

- Height adjustable front-loading VCR/DVD player mount.
- Three-piece corner mount bracket designed to conform to variances in 90° degree corner locations.
- Steel and wood stud pre-construction interior wall plate. (16" and 24" stud centers)
- 3/8" hardware kits for direct wall surface attachment of the support arm tube or companion wall bracket.
- VCR lock kit.

To select the correct mount model for your monitor's size, measure the depth and width of the monitor case and compare to the WMS model(s) chart. Select the UL required wall span bracket from the guide below.
